ALL READY FOR BIG DOG RACE

Congressional Committee Invited to Witness Sport

The committee in charge of the arrangements for Red Jacket's annual dog derby to be conducted on Fifth street tomorrow afternoon at 1 o'clock, today issued an invitation to the congressional committee here investigating the "rotten" to be present and witness the sport. As the committee plans to be in Calumet tomorrow to take testimony bearing on the Italian hall disaster and inquest, it is hoped it will find it convenient to witness this novel sport.

Final arrangements have been made for the event and the officials named. The course will be laid out from Scott to Elm streets on Fifth and early in the morning, Street Commissioner Jackson will place a force of men on the street to put it in first class condition. There will be five principal events in the races tomorrow, two more than were provided on last year's program. The prizes have not yet been appointed, but a sufficient number of contributions have been received to make it certain there will be suitable trophies for each class. Following are a list of the prizes so far donated and which will be hung up for the different events:

Toy Furniture company—Sled.
Dentberry and Spelar—Sweater.
Hocking Clothing store—Sweater.
Vernon, Hunter—Season Pass.
Orinstein store—Pair of Gloves.
Class Block—Pair of fine shoes.

Cash—Eleven Dollars.
The officials who have been chosen for tomorrow are as follows:
Starter—E. H. Switzer, R. J. MacVeigh and Charles Muford.
Judges of Finish—Justice William Fisher, Justice C. C. Jackson, Justice David Amis, Oscar Keckonen, Joseph Kohlhaus and Mayor F. H. Schumaker.
General Manager—Dan Cusick.

An idea of the interest aroused in this contest among the boys may be gleaned from the following letter just received by Mr. Cusick:

"Dear Mr. Cusick: You are in for the dog race on Saturday. I wish to be with you again as last year I raced with a team of dogs but this year I will have with me only a single dog, and one dog's foot is never my dog is two feet six inches high he is a mastiff. Coming with love from your little friend."

The case of Charles Macchi, charged with criminal libel on complaint of Michael Borge, was again adjourned by Justice Jackson, when called for hearing today, because of the inability of the respective attorneys to be present. The hearing has been set for two weeks from today.

BUSINESS CHANGE ANNOUNCED

Vic Engstrom Becomes Manager of Webster, Walz and Co.

Announcement was made today of the retirement of Mr. Webster from the firm and from active management of the store of Webster, Walz and Co. of Calumet. He expects to make Chicago his headquarters and probably will again become connected with the Western Sales company.

Mr. Webster will be succeeded in the management of this business enterprise by Victor Engstrom of this city, who began his connection with the store in this capacity today. Mr. Engstrom's long experience eminently fits him for his new position. He was connected for many years with Vertin Bros. department store as manager of the dry goods department, leaving this position to become a commercial traveler.

Mr. Engstrom will introduce new ideas in making the store one of the most up-to-date establishments in the city.

ANNIE CLEMENS LECTURER.

Calumet Woman to Go on Extended Tour With Socialist Speaker.

Accompanied by Mrs. Ella Reeve Bloor, a Socialist lecturer and writer, who has been in the copper country covering the congressional investigation for the National Socialist Press association, Mrs. Annie Clemens of Calumet, "Big Annie," who was one of the prominent militant strike leaders during the early days of the strike and the president of the Ladies' Auxiliary of the Federation, departed yesterday for Chicago, the starting point of an itinerary of lectures to be given by the two women dealing with the strike situation in an effort to raise funds for the Federation. Their tour will take them to Chicago, Milwaukee, Peoria, Indianapolis and through the Illinois, Ohio and Pennsylvania coal fields.

TO GET HOCKEY RETURNS.

Because of the big demand for the returns of the Michigan Soo-Canadian Soo hockey game this evening, the Western Union Telegraph company has arranged to receive the returns here at the end of each half this evening. They will be furnished to several of the local buffets and clubs. As the game will be played in the Canadian Soo, according to eastern time, the scores should be received here early.

COLOSSEUM CLOSED TONIGHT.

Because of the mildness of the weather, it is announced the Colosseum will not be opened for skating this evening, the weekly party of the Calumet Skating club having been postponed for this reason. If the weather permits the rink will again be opened tomorrow evening.

FEDERATION IS NOT IN EVIDENCE

Rumor of Socialist Ticket A Bugaboo.—Administration Wins

Rumors that the federation-Socialist faction would turn out at last night's village caucuses in large numbers with the intent of placing a full ticket in the field, brought out nearly every voter of Red Jacket. The rumor, however, was a bugaboo and with one exception, the administration gained a sweeping victory.

The nominees:
President—F. H. Schumaker.
Trustees, for 2 years—Oscar Keckonen, Conrad Weider and E. E. Cuddihy.

Clerk—J. J. Ellis, Jr.
Treasurer—Jacob Kaiser, Sr.
Assessor—Joseph Wilmer.

Neither President Schumaker nor Assessor Wilmer was opposed and they were nominated by acclamation. For trustee, Oscar Keckonen and E. E. Cuddihy were nominated with 353 and 210 votes respectively and Conrad Weider received the choice over Mr. John Adler by a vote of 196 to 194.

Interest, however, was centered about the clerkship though J. J. Ellis, Jr., the present incumbent, doubled his opponent, Peter Cupps, by a vote of 266 to 122.

The strength of the federation faction was again demonstrated in the contest for the trusteeship which Jacob Kaiser won handsily over two opponents. Homer Demarole and Frank J. Johnson. The nominee received 212 votes, Johnson received 101 and 55 were cast for Demarole.

Just to prove that their manual training is of the practical sort, the boys in the Noquehomung, Pa., public schools have erected a domestic science building.

St. Petersburg, Fla., is using limestone rock in road building.

WATCH CHAINS

The average man's knowledge of the different qualities of watch chains is, naturally, more or less vague. He knows there are many grades of chains, ranging in price from two dollars up to twenty or more, and he does not need to be told that the cheap chains are plated, and that the costly ones are solid gold. There his knowledge stops. Now, if you are interested, and want further facts, drop in for a chain chat.
